

The National Stamp Club Challenge

An additional feature of CANPEX is the **National Stamp Club Challenge**. It's open to any stamp club in Canada whose members are prepared to accept the challenge!

So, what is it?

It's an opportunity for club members to collaborate and put together a one frame (16 page) exhibit based on a supplied topic or theme. The exhibit will be displayed at CANPEX and judged by the visiting public as "The People's Choice."

The "rules" are simple.

1. Clubs should inform the CANPEX organizing committee of their commitment to participate by completing and mailing (or emailing) the entry form no later than March 31st of each year.
2. Exhibits should be received by the CANPEX Organizing Committee no later than September 15th.
3. Exhibition pages should be numbered on the reverse 1 through 16 so they can be mounted in the appropriate order.
4. A minimum of 2 club members must supply material for the exhibit. No club member should create more than 2 pages in the exhibit.

That's it, short and sweet!

What's in it for your club? Start with "bragging rights" until the next competition. The club's winning exhibit will also be displayed on the CANPEX web site for all to see what a winning entry looks like.

The topic for the 2019 competition is "MILITARY HISTORY." Does your club have what it takes to formulate this exhibit?

Let's see what you've got! Complete and return the entry form below. Or email to: info@canpex.ca.
